--- Cross-cultural communication	--- Donor and client retention --	--- Visionary / Team builder
--- Entrepreneurial	--- Clear vision / Strategy ---	--- Solid project management
--- Development / Fundraising professional	--- Programme troubleshooting --	--- Creative

SELECT LIFEWORK EXPERIENCE

PROFESSIONAL:

AVENIR CONSULTING (www.richardklopp.com)

A consultancy I pioneered to locate, leverage, and scale high impact social ventures. (US, Canada, Africa, France)

FOUNDER & PRINCIPAL

The following is a short list of some of the work I've done:

1991 - Present

BRCK.org (www.brck.org) (www.brck.com)

Startup of the dot org with the founders of Ushahidi, iHub Nairobi, and BRCK (Nairobi, Kenya)

Managing Director

Working with TED Fellows Juliana Rotich (www.julia.na) and Erik Hersman to get great technology into the hands of those who need it most.

Selected Accomplishments:

Launched www.brck.org

2016 - Present

Point Innovate (www.pointinnovate.com/index) (www.goalzero.com)

Design, manufacture, and commercialization of high social impact renewable energy products for emerging markets. (Accra, Ghana)

Advisor to CEO & Managing Director

I was part of designing and vetting out the strategy used to transition from TIFIE Humanitarian (NGO) to the creation of the Point Innovate initiative which grew out of the sale of the Goal Zero company to NRG in 2014. (www.goalzero.com)

Selected Accomplishments:

Provided strategic direction resulting in launch of Point Innovate in Ghana.

Strategy, leadership and program assessment and advisory.

2011 - 2015

Water for Good (Formerly ICDI) (www.waterforgood.org)

Water solution implementers and community development practitioners working in central Africa. (RCA & DRC)

CHIEF EXECUTIVE OFFICER - 2014 TO PRESENT

CHIEF OPERATIONS OFFICER - 2010 TO 2014

SENIOR CONSULTANT (DEVELOPMENT & FUNDRAISING) - 2009 TO 2010

Manage all Africa operations and 100+ international staff. Provide visionary leadership for the organization on both sides of the ocean. Direct the strategic planning for the Executive teams & Board. Responsible for on time delivery of roughly US\$ 3 Million worth of water projects annually, including over 1000 wells under regular contract maintenance in Africa. Interface with philanthropic and corporate partners. Build structure, teams and implementation of the organization's development & fundraising program. Lead the strategic restructuring, re-branding, and next-level expansion initiatives of the organization. Work with government ministries and global agencies in Africa including UNICEF, USAID, World Bank, etc.

Selected Accomplishments:

Incubated the Central African Republic's first well drilling business.

Brokered / Managed over \$US 20 M of water projects in CAR.

Built / Managed the country's only enterprise-based water sustainability business, servicing 1000 water points at over 90% pump functionality rates.

2009 - Present

Blood:Water Mission (www.bloodwatermission.com)

A grant-making public charity funding African partner organizations focused on putting an end to the HIV/AIDS and water crises. (Nashville, TN)

VICE PRESIDENT OF AFRICA PARTNERSHIPS

A one-year executive leadership role focused on designing and implementing a new results-driven model for Africa partnerships to generate new philanthropic and corporate revenue streams with and for emergent civil society organizations in Africa.

2013 - 2014

DR. RICHARD LEE KLOPP

WWW.RICHARDKLOPP.COM

The H2O Africa Foundation (www.h2oafrica.org) (www.runningthesahara.com)

Matt Damon's water charity created to provide funding to water solution provider NGOs in Africa. (Zionsville, Indiana)

2006-2009

LAUNCH EXECUTIVE DIRECTOR

Designed and managed the charitable component of the Running the Sahara expedition and film project. Provided management of corporate partnerships (National Geographic, PepsiCo, Ethos Water/Starbucks, J M Eagle, E P Martin, Mission Products, Whole Foods, etc.). Directed philanthropic partnerships and oversaw NGO partner project design and implementation in the field (Charity Water, Millennium Promise, UNDP, One X One, Orfalea Family Foundation, A Glimmer of Hope Foundation, Tides Foundation, Geneva Global, Water Partners International, Living Water International, Ryan's Well Foundation, etc.). Managed fund raising, donor experience, grant making, project assessment and evaluation, and a variety of other partnerships. Managed web site, branding, and media communications. Managed the H2O Africa - Water Partners merger, creating the new organization, Water.org, announced at the Clinton Global Initiative in 2009.

--- Provided professional philanthropic services and management to the creative startup of the initiative.

--- Provided management support to all of the organization's philanthropic and project partnerships through entrepreneurial launch phase.

--- Created donor-driven mechanisms for global involvement in the water crisis in Africa.

Selected Accomplishments:

\$4.75 Million raised, \$3 Million in partner matches, for a total of \$7.75 Million in water projects in Africa.

Partnered for roughly 500 water projects in 7 different African countries benefiting hundreds of thousands of people.

Oversaw the (\$1.75 Million) *Millennium Village* in Toya, Mali with *Earth Institute's Millennium Promise*.

The Biotechnology for Sustainable Development in Africa Foundation (www.fondationbda.org)

A Canadian organization focused on African development through the creation of a fair-trade medicinal plant industry. (Montréal, Qc.)

2006--2008

LAUNCH EXECUTIVE DIRECTOR

CHIEF VISIONARY OFFICER

Designed and managed the blended value start-up of the non-profit (The BDA Foundation) and the corporate entity (Pharm African) a biopharmaceutical company. Directed and participated in the fundraising activities of the foundation, as well as investor relations for the for-profit. Provided management of donor partnerships (Prince Albert II of Monaco Foundation, WWF, Lundin for Africa, Banro Corp, etc.). Provided management and coordination with DRC educational and governmental partners. Represented BDA with Congolese government, and oversaw development of agri-business programs in Kinshasa and at remote sites in country. Directed BDA employees, and travelled to represent BDA and broker business, governmental, and philanthropic partnerships in the US, Canada, Europe, and Africa (United Nations Industrial Development Organization, World Health Organization, World Food Programme, Canadian and American Embassies, various Congolese government ministries, Jesuits of Central Africa, etc.).

--- Led and participated in fundraising strategy and represented the organization internationally with donors, governments, and program partners.

--- Provided philanthropic services and management for BDA and Pharm African during the entrepreneurial launch phase.

--- Directed US--Canada--Europe--DRC partnership creation, resulting in the educational--scientific programs rolled out in DRC.

Selected Accomplishments:

Member of the BDA Foundation board that included the Rt. Hon. Joe Clark, former Prime Minister of Canada, and M. Réjean Frenette, Canadian Ambassador to the Democratic Republic of Congo.

Won first prize at the *SME Innovation Competition* for the BDA Foundation's "Triple Bottom Line" innovative business model.

Launched the first--ever African medicinal plant agri-business training program in partnership with the *Institut Supérieure Agro-Vétérinaire* and the *University of Kinshasa* in DRC.

Team Québec

A network of community-based civil society projects. (Québec City, Québec, Canada)

1992--2005

FOUNDER AND EXECUTIVE DIRECTOR

Designed the NGO's original vision and strategy. Served as CEO of the network for twelve years, and directed the civil society initiatives in Québec and Africa. Managed all elements of the start-up including: development and fundraising of the annual operating budget, leadership team creation and training, and community non-profit initiatives. Chief architect of the public--private partnerships focused on integration of Rwandan genocide victims in Québec.

--- Raised annual operating budget and managed capital campaigns and major gift work for the organization.

--- Directed all aspects of the organization's philanthropic and project partnerships.

--- Generated vision and leadership for the social service projects sponsored by the organization.

Selected Accomplishments:

Managed the youth serving educational network for Québec City

Created *Developing Capable Young People Québec*, a youth-serving educational nonprofit and *The Centre for Immigrant Social Services*, and organization designed to solve problems faced by Africans displaced to Canada as well as assist them in creating innovative remittance-based projects in Eastern Congo, Burundi, and Rwanda.

Assisted in creating and managing an educational leadership development network active in over 20 different countries.

ACADEMIC:

Andrews University (www.andrews.edu)

A USAID funded global graduate Masters Degree in International Development. (Global)

2008 - Present

FACULTY, INTERNATIONAL DEVELOPMENT PROGRAM

Teach leadership, nonprofit management and fund development courses to global graduate level international development program students.

Selected Accomplishments:

Teaching courses for NGO managers seeking graduate degrees from literally around the world, at sites located in Italy, France, Chile, South Africa, Kenya, Ghana, Canada, United States, and Rwanda.

Mentor international student's thesis projects on various global NGO challenges

The Indiana University Lilly Family School of Philanthropy (www.philanthropy.iupui.edu)

The largest nonprofit research and training center in the United States. (Indianapolis, Indiana)

2005 - 2010

ASSOCIATE DIRECTOR, LAKE INSTITUTE

VISITING FACULTY, THE SCHOOL OF PHILANTHROPY

ADJUNCT FACULTY, SCHOOL OF PUBLIC AND ENVIRONMENTAL AFFAIRS, INDIANA UNIVERSITY PURDUE UNIVERSITY AT INDIANAPOLIS (IUPUI)

Manage daily operations of this growing unit with a primary focus on driving program growth, increasing profit, expanding strategic partnerships, and overseeing program delivery. Provide leadership and direction for employee performance across diverse functional areas including program management, organizational finances, strategic planning, marketing/communications, and public relations. Direct the grant making, research plan and budget, publications, and public events.

DR. RICHARD LEE KLOPP

WWW.RICHARDKLOPP.COM

Taught nonprofit management and fundraising, supervise graduate students, and participate in University-wide nonprofit leadership development and fundraising agenda. Board development, recruitment, fund development, and vision casting for the Institute.

--- Direct to the highest standards for nonprofit management practices and ethics as part of the industry leader nonprofit research center.

--- Ensure mission focus and goal achievement through effective team building and inspirational leadership

--- Spearhead development strategy through key partnerships and networking for growth.

Selected Accomplishments:
